ORCID

For Researchers

Sign in and get set up to get the most out of your ORCID record

1 **Check your visibility settings**

Visibility settings are easily accessible in My ORCID, and you can edit them directly from the main interface.

2 **Create connections with your trusted organizations**

ORCID has nearly 1,300 integrations across research and academic institutions, publishers, funders, and other service providers, with more are being added all the time!

3 **Get to know the ORCID Inbox**

The ORCID Inbox is the messaging system in My ORCID (your ORCID record). In it you can find important info about account and record changes, services messages, and new features and tips.

4 **Take advantage of auto-updates from Crossref**

Grant Crossref permission to update your record automatically whenever a new work associated with your ORCID iD is found in their system—from any of their over 15,000 member publishers.

5 **Designate a trusted individual**

Grant permission to one or more trusted individuals to help you manage your ORCID record.
