Using Research Information System (RIS) at UNNC for PGRs

Theresa Zhang
Graduate School

25th October 2022

What is Research Information System (RIS)

publications

projects

Awards

press
clippings

posters

datasets

And more...

- Aggregates information about faculty and researcher outputs
- One system for validated and verified research

Build your personal profile

“If you're a researcher without a website, you don't exist. Doesn't matter if you haven't published yet, put up a website with your name, affiliation, EMAIL, advisor, research interests, and photo. Otherwise you can't be found”
